**MANAGEMENT DISCUSSION & ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF
OPERATIONS FOR THE NINE MONTH PERIOD ENDED JUNE 30, 2006**

AUGUST 29, 2006

OUR BUSINESS

GHG Resources Limited was incorporated under the laws of British Columbia on June 7, 1983 and its principal business activities include the acquisition and development of mineral properties. The Company is presently listed on the TSX Venture Exchange trading under the symbol GHG.

The Company's business and executive office is located at 1255 West Pender Street, Vancouver, B.C. V6E 2V1. Its registered and records offices are located at the offices of Maitland & Company, Barristers & Solicitors, 700 –625 Howe Street, P.O. Box 54, Vancouver, B.C. V6C 2T6.

The Company owns 100% of the issued and outstanding share capital of Tun Resources Ltd. ("Tun"), a British Columbia company. Tun Resources Ltd. holds an 82% interest in Yunnan Yuntong Exploration Ltd. ("YYE"), a Chinese joint venture company.

OVERALL PERFORMANCE

The principal business of the Company is the acquisition, exploration and development of natural resource properties. The Company, through its wholly owned subsidiary, Tun Resources Inc. owns interests in three mineral properties located in the Zhen Yuan Mining District, China (together, the "Yunnan Yuntong Properties"): the Shangzhai exploration licence area and mining concession, which has been in production since 2001; the Bianfushan exploration licence area and mining concession; and the Lanintang exploration licence area, which are in the exploration and development stage. As is the nature of exploring for minerals, there is a significant risk that no economic deposit of ore or metals will be found on any of the Company's properties.

Tun, the Company's wholly owned subsidiary, entered into a Joint Venture Agreement with the Yunnan Province Dianxi Geological Engineering, Exploration Development Company on the 8th August 1994 ("Dianxi"). Dianxi is the operating arm of the #3 Brigade. The joint venture was called the Yunnan Yuntong Exploration Company Limited Joint Venture (the "Yunnan Yuntong JV"). Tun's initial capital investment was US\$800,000, to earn a 60% interest in the Yunnan Yuntong JV. The term of the Yunnan Yuntong JV was to be for renewable 5 year terms. In 1999, the first extension of the Yunnan Yuntong JV, there were a number of amendments made to the agreement, which included that Tun's capital investment was increased to US\$1,400,000 to earn an 82% interest in the Yunnan Yuntong JV.
